

Exercice – Intégration

Étape 1

Réaliser l'intégration HTML de la maquette suivante :

The screenshot displays the Metabuyer application interface. The top navigation bar includes the Metabuyer logo, a progress indicator at 67%, and user information for Stewart Jones. The left sidebar lists various modules: Purchase Requisition, Purchase Order, Budget, Catalogue, and Admin. The main content area is titled 'MANAGE PR' and features a workflow diagram with stages: Drafts, Pending Approval, and Approved. Below this, a table titled 'Displaying Drafts' shows a list of purchase requisitions. The table includes columns for PR #, Title, Delivery, Amount, Progress, and a star icon. The progress bar for each row is color-coded: red for 10%, yellow for 66%, green for 90%, and orange for 28%, 35%, and 78%. The table also includes a 'More' dropdown and a search bar. At the bottom, there are pagination controls showing 'Showing 10-8 results of 248' and a 'Prev' button.

	PR #	Title	Delivery	Amount	Progress	
<input type="checkbox"/>	PR0001	MAR 2014 / Becon / STG HSIS...	5 Days	2000.00	10%	★
<input checked="" type="checkbox"/>	PR0002	Tables & Chairs for renovation	10 Days	3000.00	66%	☆
<input type="checkbox"/>	PR0003	Office Chair Brown	10 Days	1000.00	90%	★
<input type="checkbox"/>	PR0004	Tables & Chairs for renovation	10 Days	1000.00	28%	☆
<input checked="" type="checkbox"/>	PR0005	Office Chair Brown	10 Days	1000.00	35%	☆
<input type="checkbox"/>	PR0006	Tables & Chairs for renovation	10 Days	1000.00	78%	☆
<input type="checkbox"/>	PR0007	Office Chair Brown	10 Days	1000.00	12%	★

Étape 2

Réaliser l'intégration HTML d'une des quatre maquettes présente dans le répertoire suivant :
